

## Holographic Sound Healing Session Documentation

*Master Practitioner: Document 5 complete Holographic Sound Healing individual sessions with the information guidelines below. This includes future sessions and can also include any sessions you may have already done after you've completed your initial HSH Practitioner Certification. All must be using only the Holographic Sound Healing process. Teacher/Trainer: Document 5 additional individual sessions. Once the above and other HSH requirements are complete you can purchase the training manual at \$55 (which includes training insert pages) and begin teaching.*
